¹ Sign Garden Created by Port Malabar Garden Club in 2022. Lisa on the Ranger's staff helped create the stepping stones to provide a photo opportunity area for visitors.

² Butterfly Garden initially created by a local scout troop. It is directly across the sidewalk from the other two gardens. There is a mulched path around this garden.

³ Bog Garden created by Lisa on the Ranger's staff in 2022. It is next to the Sign Garden.
